Founded in 1962, we are a grass roots, non-profit, non-partisan, citizens organization focused on County government. The Civic League is composed of civic associations, umbrella civic groups, and individuals who share a concern for the quality of life in New Castle County. We welcome volunteers willing to work on the problems that accompany the rapid growth taking place countywide.

In our early days, the Civic League was instrumental in these progressive changes

- ★ Reorganization, which replaced the Levy Court with a county executive and council structure
- ★ Development and funding of a modern county police force.
- ★ Adoption of a comprehensive planning process.
- ★ Adoption of the first State Highway Priorities bill.

Today, we continue to study and address the issues surrounding growth and delivery of county services. We comment on:

- ★ Each Comprehensive Plan update
- ★ Each County Budget and key ordinances
- ★ State bills that affect New Castle County

In addition, our members:

- ★ Participate in workshops
- ★ Serve on diverse boards and committees of County and State government.
- ★ Provide educational forums on County government.
- ★ Assist new civic associations.
- ★ Maintain a Civic Group Directory.
- ★ Partner with other organizations addressing environmental and governance issues.

Unlike other civic coalitions, we offer:

- ★ County-wide focus
- ★ A breadth of interests
- ★ Continuity through a core group of people with expertise gained over 35 years of membership
- ★ Assistance to Civic Associations & Maintenance Corporations
- ★ Communications through a monthly newsletter, public meetings, a web page, and public workshops.

Upon request, we can offer knowledgeable speakers to civic groups on these topics:

- ★ Deed Restrictions
- ★ Government structure
- ★ Parks and open space
- ★ Public safety
- ★ Transportation issues
- ★ Water
- ★ Environmental issues

The larger the membership, the more effective the Civic League can be. We can use the support you give by simply joining; however, we would also like to have you participate in one or more of the following areas:
